

All prayer meetings are currently held in the venture church sanctuary unless scheduled elsewhere. They are open for anyone to come and go as needed. Visitors are welcome to engage with the room in corporate worship and intercession or simply come and sit, read the Bible and journal.

During our live sets, you can expect to come into an environment where the focus is simply to worship the Lord through music and song and to sing His Word, talk to Him and pray for the topics, people or places He is highlighting. The live sets are facilitated by a worship leader and/or prayer leader and other trained volunteer staff. We do ask that those present would seek to honor one another and the focus of the meeting. Kids are welcome!
